## Choir Conductor: Ms Ong Chiak Yin

Back in 1999, none would have guessed that Chiak Yin, a Mathematics graduate from the National University of Singapore, would have made choral conducting the career of her choice. Since then, she has worked with children's choirs, youth groups and adult choirs engaging in choral music of various natures: chamber, symphonic; equal and mixed voices.

Chiak Yin's career milestones include winning awards in local and International choral events like:

- The Singapore Youth Festival choir competition, a nation-wide school competition organized biennially by the Ministry of Education
- The 21st Century International Choral Festival 2003 in Genting Highlands, Malaysia
- The 16th Australia International Music Festival in Sydney
- Voyage of Songs 2005, in Kuala Lumpur, Malaysia.

In the course of developing quality choral music, Chiak Yin has collaborated with many celebrated musicians. In 2004, she collaborated with Maestro Tsung Yeh of China in Singapore Chinese Orchestra's Phenomenal Zhao Ji Ping - Raise the Red Lantern. In 2005, she worked with Maestro Fraser Goulding of the UK in Singapore Lyric Opera's (SLO) production of Glimpses of Asia, its 15th Anniversary Concert. She was also the Co-Chorus Master in SLO's production of Puccini's famous opera, Madama Butterfly. In 2006, she worked with Dr L. Subramaniam from India and Dr Lum Yan Sing from the NUS Chinese Orchestra for the international premiere of Transformation, a new age fusion piece combining classical Chinese instruments with Indian drums and choral voices.

Chiak Yin continues to further herself in the knowledge of Vocal and Choral music. After receiving a Distinction in Level 8 Singing Performance from the Australian Guild Music Conservatorium and her ATCL (Associate of Trinity College London) qualification in Recital Singing, she went on to the Westminster Choir College of Rider University in New Jersey, USA, to attain Distinctions in "Choral Conducting" & "Group Vocal Technique" courses conducted by Dr James Jordan and Ms Heather Buchanan. In 2006, she was the only representative from Singapore who attended the highly acclaimed "Eric Ericson Master Class on Choral & Orchestral Conducting" in Lund, Sweden, conducted by Maestro Eric Ericson, Per Norgard, and other well-known conductors and composers all over the world.

In 2007, Chiak Yin participated the "4th European Academy for Choral Conductors & Singers", organised by FENIARCO (Federazione Nazionale Italiana – Associazioni Regionali Choral) in Fano, Italy. She was one of the 12, selected from a group of more than 40 conductors from all over the world, to conduct the Coro Giovanile Italiano (Italian Youth Choir) and the Coro Laboratorio (lab choir) under the direction of Maestro Filippo Maria Bressan (Italy). In 2008, she was one of the 8 active conductors to undergo an 8-day intensive Conducting Master Class by Maestro Gabor Hollerung (Hungary), one of the Artistic Directors of "Musica Mundi" & "INTERKULTUR" International Music Foundations and Competitions.

Chiak Yin is the choral conductor Wild Empire, a self-funded adult choir which she co-founded. This year, she led Wild Empire to the Gold Award at the "Orientale Concentus II" International Choral Competition in Hang Zhou, China. She is also the resident choral conductor of several other choirs, including choirs from:

- Pioneer Junior College
- Tampines Junior College
- Kranji Secondary School
- Pasir Ris Crest Secondary School
- Tao Nan School
- St. Joseph's Institution (Junior)
